

## **Decmil Earthworks Job Opportunities:**

Decmil is the principal contractor for construction of Bridge 5413 over Yandi Rail Crossing on Roy Hill Munjina Road. Decmil is doing the project for Main Roads Western Australia.

The project is located Roy Hill - Munjina Road near Yandi rail crossing to construct a bridge over the rail.

The project requires earthworks machinery (available under a plant hire agreement), operators and labourers to undertake earthworks, with some labouring on the ground.

The following operators are required:

- 1- Moxy drivers
- 2- Roller operators
- 3- Watercart operators (semi water cart and 8 wheel watercarts)
- 4- Labourers

To be successful you will need to have:

- HR license
- Eligible to work in Australia

For more information on the roles available and earthwork machinery required for hire, please contact **Amir Miri 0409 341 093** or email [amir.miri@decmil.com.au](mailto:amir.miri@decmil.com.au)
