

Expression of Interest – Driver Education support

In support of the Regional Development Framework and the Traditional Owner partnership with Rio Tinto Iron Ore, the Economic Development & Participation team is offering access to Driver Education support to enhance employment and training opportunities for Traditional Owner group members of the Pilbara region.

Our commitment

- Provide the Regional Implementation Committee and Local Indigenous Committee members support.
- A partnership approach engaging the expertise of Pilbara Aboriginal Businesses.

Our vision

To support and deliver to the membership of the Regional Implementation and Local Indigenous Committees, support towards obtaining a Western Australian C Class Driver's licence.

Through partnerships with local driver education service providers, the Indigenous Economic Development & Participation team is offering to support eligible candidates the opportunity to gain a WA Class C Driver's licence to enhance their opportunities to employment and training.

If you are eligible and interested, please complete the back of this flyer and return to Rio Tinto.
