

Expression of Interest - Access to a Submission/Grant Writer

In support of the Regional Development Framework and the Traditional Owner partnership with Rio Tinto Iron Ore, the Economic Development & Participation team is offering access to a submission/grant writer to support the aspirations of the Traditional Owner groups of the Pilbara region.

Our commitment

- Provide the Regional Implementation Committee and Local Indigenous Committee members support.
- A partnership approach to access and engage the expertise of a submission/grants writers to support local Aboriginal Corporations.

Our vision

To support and deliver to the membership of the Regional Implementation and Local Indigenous Committees, support towards accessing the expert services of submission/grant writer.

Through partnerships with local service providers, the Economic Development & Participation team is offering to support eligible Aboriginal Corporations the opportunity to access the services of a submission/grant writer to enhance their opportunities to successfully make submissions or apply for grants funding.

If you are eligible, and interested, please complete the back of this flyer and return to Rio Tinto.
