

Interested in Small Business Development Workshops?

To build a stronger partnership between Traditional Owners and Rio Tinto Iron Ore, the Indigenous economic development and participation team is offering access to small business development workshops.

Our commitment

- Provide Traditional Owners access to small business development workshops
- A partnership approach engaging the Small Business Development Corporation to deliver workshops in the Pilbara region.

Workshop categories

- *Business Skills*
- *Digital Skills*
- *Financial management*
- *Interpersonal skills*
- *Sales and Marketing*
- *Strategy & Risk*
- *Tendering & Contracts*
