

Interested in training and development opportunities?

To build a stronger partnership between Traditional Owners and Rio Tinto Iron Ore, the Indigenous economic development and participation team is offering access to a range of training and development opportunities.

Training opportunity examples

- *Certificate in Indigenous leadership and mentoring*
- *Indigenous mental health first aid*
- *Certificate in governance & training*
- *Certificate in business administration*
- *Certificate in project management*
- *Facilitation and communication skills*

Please note some of these courses have pre-requisite requirements - individuals will need to ensure they meet these requirements. Please see contact number below if you would like support with this process.

Our commitment

- Work with the Regional Implementation Committee to support up to 4 nominations from each Traditional Owner group twice a year
- What support will Rio Tinto provide? Rio Tinto will cover the cost of course fees for individuals, or where practical, the cost of arranging a registered training organisation to deliver training in the Pilbara.
